PLAINTIFF'S ORIGINAL COMPLAINT

---

TO THE HONORABLE UNITED STATES DISTRICT COURT JUDGE:

Now comes JoAnne Holland and files this Plaintiff's Original Complaint against Eric K. Shinseki, Secretary of Veterans Affairs ("VA"). In support, Holland respectfully shows the following:

I.  
SUMMARY

JoAnne Holland is disabled. Following several grueling incidents at the Dallas Veterans Affairs Medical Center, Holland requested leave. In order to return to work, Holland then requested reasonable accommodations. Defendant failed not only to properly process Holland's leave request, but it also failed to reasonably accommodate her disability.

Holland's medical leave was qualifying FMLA leave. Defendant never initially accommodated the request, and consistently harassed her when she requested leave. Holland never received any confirmation about her leave request until after her leave expired. This caused Holland to fear for her job and worsened her condition. This interfered with Holland's

FMLA leave rights. After Holland's leave request, she was supplied poor job references, that precluded her from finding other jobs in the VA system. After Holland's leave request the VA refused to accommodate her disability. These, as well as other acts, were retaliation for taking FMLA leave.

Refusing to give Holland her FMLA leave, not allowing her to perform administrative functions, and not allowing her to attend therapy sessions were a failure to accommodate Holland's disability.

Holland alleges Defendant refused to accommodate her disability, discriminated against her because of her disability, and retaliated against her because of her request for accommodation and opposition to unlawful disability discrimination in violation of the Americans with Disabilities Act and the Rehabilitation Act. Holland alleges Defendant interfered with her FMLA leave rights and retaliated against her for taking FMLA leave.

**II.  
PARTIES**

1. Plaintiff Holland ("Holland") is an individual who is a citizen of the State of Texas.
2. Defendant, Eric K. Shinseki, is the Secretary of Veterans Affairs. He is sued in his official capacity.

**III.  
JURISDICTION & VENUE**

3. Jurisdiction is proper in this Court because this action arises under the Americans with Disabilities Act and the Rehabilitation Act. Plaintiff was employed by Defendant at the Dallas Veterans Affairs Medical Center located at 4500 S. Lancaster Rd, Dallas, TX 75216.

Defendant has had continuous contact with the State of Texas. An assertion of jurisdiction would not offend traditional notions of fair play and substantial justice.

4. Venue is proper in this Court because the acts giving rise to this action occurred in Dallas County, Texas.

**IV.  
EXHAUSTION OF ADMINISTRATIVE REMEDIES**

5. Plaintiff timely filed a charge of discrimination against Defendant with the Equal Employment Opportunity Commission in April 2008. Plaintiff files this complaint within 90 days after receiving a notice of the right to file a civil action.

**V.  
FACTS**

6. Holland began working as a Nurse for the Dallas VA on or about November 2003.

7. Holland is an individual who suffers from a disability. She has been diagnosed with a mental health condition and severe menstrual bleeding. Holland regularly takes cymbalta, and clonazepam, among other medications to treat her disease. Holland can regularly perform the essential functions of a Nurse.

8. Between March 2008 and May 2008, Holland was subjected to a hostile work environment (false accusations and improper reprimands) at the Dallas VA causing a serious medical condition. This medical condition was both a physical and mental impairment that substantially limited her major life activities and major bodily functions. As a result of her disability, Holland was required to take leave and undergo therapy.

9. On or about, May 2008, Holland requested a one-month leave to recover from her health conditions.

10. This request for leave was forwarded to employees who did not have a need to know.

11. On or about May and June 2008, McClellan (nurse manager) discussed the difficulties in granting leave in an open staff meeting, suggesting Holland could be terminated for requesting leave.

12. After this meeting, Holland felt compelled to work despite her health condition.

13. Holland's health condition worsened, and she *again* requested leave on or about June 2008. Holland was never provided confirmation of this leave approval until *after* it was exhausted.

14. On or about June 2008, Holland was forced to discuss her sensitive medical information in open area, despite Holland indicating that she was uncomfortable with this.

15. In June and July 2008, Holland requested confirmation that her FMLA leave was approved. Management provided no confirmation on her FMLA status, thus exacerbating her condition.

16. On or about September 2008, Holland requested a reasonable accommodation in order to return to work.

17. The reasonable accommodation was "no direct patient care" and one day off every two weeks for therapy. Holland was still able to perform administrative work.

18. Despite Holland's request for a reasonable accommodation, the Dallas VA failed to engage in the reasonable accommodation process with her and unilaterally decided that she was not a person with a qualified disability. No attempt was made to accommodate Holland.

19. On or about, September 2008, management sent a letter to Holland stating “we will discontinue communicating via email regarding your issues.”

20. After requesting leave, Holland was denied several promotions including that of Nurse III and Infection Control Nurse.

21. After requesting leave and reasonable accommodations, Holland was not selected or interviewed for the Head Nurse position in Fresno, CA and was supplied false job references that precluded her from employment opportunities at other VA hospitals.

22. Defendant employed more than 15 employees and is covered employers under the Americans with Disabilities Act (“ADA”). Plaintiff is an employee within the meaning of the ADA and was employed by Defendant.

23. The VA as a federal employer is covered under the Rehabilitation Act. Plaintiff is an employee within the meaning of the Rehabilitation Act.

24. The VA is a covered employer under the FMLA. Plaintiff is an employee within the meaning of the act.

25. Holland was employed by the VA for at least 12 months.

26. Holland has been employed for at least 1,250 hours of service for the VA during the 12 months preceding her request for FMLA leave.

27. All conditions precedent to the bringing of this suit have been satisfied or fulfilled.
